Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

MR MONK GETS EVEN (PAPERBACK)

Penguin Putnam Inc, United States, 2013. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Welcome to the series of original mysteries starring Adrian Monk, the brilliant investigator who always knows when something's out of place. The future is looking bright for Adrian Monk. Natalie is working as a cop in Summit, his brother is a week away from getting married, and Monk has a new assistant--and even a girlfriend. All this change doesn't keep him from work, though. He's investigating a string of accidental deaths and suicides that he believes are actually murders. But when Monk's suspect is killed, he must face the fact that he might be wrong. Have stability and happiness robbed Monk of his mojo? Meanwhile, Monk's imprisoned arch nemesis, the morbidly obese criminal mastermind Dale the Whale, is being transferred from prison to San Francisco General Hospital for an operation. When Dale escapes and all signs point to Captain Stottlemeyer as his accomplice, Monk will have to reboot his detective skills to clear the captain's name--and prove that he's still the one and only Monk.
