Alix Berkeley, the glamorous, Paris based make-up artist, is about to step onto the international stage with the launch of her signature brand of cosmetics. Successful beyond her dreams, it seems that nothing can stop her stellar rise to the top. Until a mistake from her past returns to haunt her. Her sister Emma Colgan lives in an affluent Dublin suburb and appears to have it all. But after years of playing the role of devoted wife and mother, she longs for her old self and a sense of excitement. Then, one night, she does something that will shake her family to its very core. As Alix s glitzy launch night in Paris draws near, secrets the two sisters fought to hide begin to emerge and both are about to discover just how much their reckless mistakes have cost them.
