THE INSPECTOR-GENERAL (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Government Inspector, also known as The Inspector General is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol. Originally published in 1836, the play was revised for an 1842 edition. Based upon an anecdote allegedly recounted to Gogol by Pushkin, the play is a comedy of errors, satirizing human greed, stupidity, and the extensive political corruption of Imperial Russia. The Inspector-General by Nicolai Gogol is a national institution. To place a purely literary valuation upon it and call it the greatest of Russian comedies would not convey the significance of its position either in Russian literature or in Russian life itself. There is no other single work in the modern literature of any language that carries with it the wealth of associations which the Inspector-General does to the educated Russian.
