TREASURES OF THE ALBERT HALL MUSEUM, JAIPUR (HARDBACK)

Grantha Corporation, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. The Albert Hall Museum in Jaipur, Rajasthan, is one of the finest museums of the 19th century, with a repository of 19000 objects. It was envisioned by Maharaja Sawai Ram Singh II and executed by his successor Sawai Madho Singh II at a time when Jaipur was making a transition from the feudal era, into a modern and model state. In the atmosphere of change, the vision for the museum was brought to life by Thomas Holbein Hendley. The collection that he put together is a valuable inheritance today: arms and armour, sculpture, international art, pottery, stone work, wood work, ivory, jewellery, clay models, musical instruments, coins and seals, carpets, and miniature paintings. The museum is home to the rare Persian Garden Carpet and also an Egyptian Mummy.
