How To Make Him Beg To Be Yours Forever - Simple Steps To Make Him Want You More This book by Benjamin Cox reveals the simple steps that anyone can use to make their man be with them forever. Being an experienced relationship expert and psychology writer, Benjamin Cox can tell that your man (like all MEN) is more single-minded than you are. In other words, he will not see things the way you do. For a guy, there aren't those typical million alternatives for everything. If you don't call him after a date, he will only think that you're busy. Unlike you, he will not think that you are not interested in him because you haven't called. This means, your responsibility is to understand the PSYCHOLOGY of men so that you can keep your guy interested in you FOREVER! So, there is no need for you to understand those nitty-gritty details of a man's psychology, his hormones, his mind, and God knows what! If you really want him to beg to be with you forever, simply download this book and follow these simple yet effective tricks that have been specifically devised after taking into account what a man REALLY wants.
