Praise for Master Your Fears Dr. Sapadin s fascinating guide to mastering our fears and constant worries is essential reading for these times. She offers readers a practical and powerful set of guidelines for taking control of their strong emotions and building a better life in the process. -Philip G. Zimbardo, Ph.D., professor, Stanford University, and past president of the American Psychological Association Master Your Fears is a valuable self-help book written in clear language, with excellent advice, engaging quizzes, creative exercises and lots of anecdotes about people with all types of fears. She also includes simple but powerful assignments that help you create positive change in your life.
