When Paige finds an old mix CD in a local charity shop, she can t help but wonder about the boy who made it and the girl he was thinking of when he chose the songs. The tracks tell the story of a boy looking for his perfect girl, a girl to understand him, a story of being alone, being let down, misunderstood and not knowing where to turn. Following the clues of the music, Paige sets out to find the mysterious boy, going from gig to gig and band to band, hoping to track him down. But will who she finds at the end of the trail, be the boy she s imagined? Another perfect girly read from Queen of Teen nominee Cathy Hopkins!.
