Master Engineer Caelen Williams is the most sought-after contractor aboard the closed-system marathon-class vessel Endurance, a generation ship at least four hundred light years away from its destination. Captain Lakewood, leader of the space-faring city, demands she resolve a life-threatening issue--the ship is losing water. Caelen's former lover, Devar, was wrongly persecuted by Lakewood's people but for the sake of everyone aboard the Endurance, Caelen tries to solve the riddle of the draining water and learns that Devar is not the only one who may have been manipulated. This is a short science fiction romance story, for fast reading and enjoyment.
