Icon Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Raw, poetic and compulsively readable . I can t wait to buy a copy for everyone I know. Kathryn Stockett, author of *The Help* The summer she turned thirteen, Molly Brodak s father was arrested for robbing eleven banks. In time, the image she held of him would unravel further, as more and more unexpected facets of his personality came to light. *Bandit* is her attempt to discover what, exactly, is left, when the most fundamental relationship of your life turns out to have been built on falsehoods. It is also a scrupulously honest account of learning how to trust again, and to rebuild the very idea of family from scratch. Refusing to fence off the trickier sides of her father s character, Brodak tries to find, through crystalline, spellbinding prose, a version of him that does not rely on the easy answers but allows him to be: an unknowable and incomprehensible whole - who is also her father. Unforgettable, moving, and utterly relatable, *Bandit* is a story of the unpredictable complexity of family.
