(Mrs. Piper Jacobi)

A HISTORY OF BRITISH MAMMALS, VOL. 1 OF 3: BATS (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A History of British Mammals, Vol. 1 of 3: Bats The number of students of this branch of British natural history has greatly increased of late years, and their progress has been much impeded by the want of some more recent work than Bell s. In no other branch has the growth of knowledge or the change of view developed at a greater rate, and yet there is no work in existence offering in convenient form an authoritative summary of the information now avail able, with an indication of the lines upon which future research is most needed. The design OF the work - The present work is designed to meet the above want. Its author has had its production before him for over twenty years, and the book has been in his hands a labour of love. During this period he has been in constant touch (or correspondence) with all the leading local naturalists, and received from them much valuable assistance. He has consulted and critically examined all printed references to his subject in scientific and periodical literature, and made use of and referred to all notes of genuine value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to...
