

## Transforming Public Services by Design: Re-Orienting Policies, Organizations and Services around People (Hardback)

By Sabine Junginger

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. For policy makers and policy implementers, design challenges abound. Every design challenge presents an opportunity for change and transformation. To get from policy intent to policy outcome, however, is not a straightforward journey. It involves people and services as much as it involves policies and organizations. Of all organizations, perhaps government agencies are perceived to be the least likely to change. They are embedded in enormous bureaucratic structures that have grown over decades, if not centuries. In effect, many people have given up hope that such an institution can ever change its ways of doing business. And yet, from a human-centered design perspective, they present a fabulous challenge. Designed by people for people, they have a mandate to be citizen-centered, but they often fall short of this goal. If human-centered design can make a difference in this organizational context, it is likely to have an equal or greater impact on an organization that shows more flexibility; for example, one that is smaller in size and less entangled in legal or political frameworks. Transforming Public Services by Design offers a human-centered design perspective on policies, organizations...
