Over the next three years, all the prisons in New Earth were emptied, and the inmates sent to the moon. Only 63 of the inmates survived the voyage. The decision to move New Earth s prison system to the moon was made for two reasons: first, it freed up critical space on the planet s surface for housing developments and industrial facilities; second, moving dangerous criminals to the moon would keep the population of New Earth safer. In 2139, The New World Order passed a law designed to deter criminals from ever committing a crime. Not only would the criminal be sent to the Moon Penitentiary, but their entire family - parents, and siblings, or spouse and children, depending on the age of the convicted person - would be sent along with them. In space, as on earth, rules of civilized society don t apply anymore. A prison bio dome, ruthless guards, and thousands of miles from freedom are what stand between a wronged family and redemption. Dirk and Rita Haston, along with their two teenaged children, have been sentenced to twenty years in a sprawling penitentiary on the moon. After plotting and putting into action a daring escape, Dirk and Rita are on the run, but they haven t gotten very far. The children were left behind in the chaotic getaway, and because they refuse to leave the...
