Healing Arts Press. Paperback. Condition: New. 256 pages. A comprehensive guide to the cosmic influences that underlie health and how to apply them for profound health and healing Examines how ancient and modern traditions of healing interconnect through the doctrine of signatures, As above, so below Reveals how ones astrological chart has implications for personal health and healing Explains how each sign of the zodiac corresponds not only to parts of the body and its chakras but also to specific plants, herbs, colors, and emotions Explores how to use sound healing to harmonize astrological imbalances When we look at the vast and intricate cosmos--galaxies, planets, organisms, organs, cells, molecules, atoms--there is a fundamental order, a music or harmony of the spheres.
