

Reading CSI : Television Under the Microscope (Paperback)

Filesize: 1.24 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

I.B.Tauris Co. Ltd., United Kingdom, 2007. Paperback. Condition: New. New. Language: English . Brand New Book. This is what we know, this is the truth: CSI is a global television phenomenon. It began in 2000 with CSI: Crime Scene Investigation , a dark procedural drama about forensic science set within the neon escapism of Las Vegas, in which Grissom and his team search within the very vitals of the murder victims they investigate. Nearly 17 million viewers tuned in each week and CSI: Crime Scene Investigation fast became America s number one show. The success of the series moved it into franchise territory, continuing in 2002 with the body beautifuls and dismembereds of CSI: Miami (now the world s biggest television show) and again in 2004 extending the franchise to the melancholic noir of post-9/11 New York with CSI: NY . Reading CSI pieces together the evidence in order to understand what the CSI shows mean to contemporary television culture, both in America and beyond. The varied, intellectually curious and often polemic responses to CSI from critics, journalists and industry professionals focus on a range of issues from the pornographic quality of the CGI effects, the relationship of characters to their narratives, and the reaction of the fans, to the semiotics of Horatio Caine s sunglasses. This in depth, compulsive read also includes a full episode guide.
